SUMMIT

2016 IRAN - ITALY SUMMIT

FIRST EDITION

BUILDING AN EXCLUSIVE COMMUNITY OF LEADERS FOR GROWING THEIR ENTERPRISES
IN THE TWO COUNTRIES AND REGIONS

TEHRAN, 16th - 17th May 2016

Espinas Palace Hotel

33rd Alley, Abedi Street, Behroud Sq., Saadat Abad, Tehran

The European House – Ambrosetti is pleased to invite you to the first Iran – Italy Summit, an exclusive opportunity to *re-establish strong business and political relations* among Iranian, Italian and European enterprises and institutions, discussing innovative approaches and ideas to shape future strategies.

Participants and speakers will be CEOs, renowned economists and government representatives from Iran, Italy and Europe.

Focusing on the most relevant challenges for the development of economic and business relations, the aim of the Summit is to create a high-level platform

of discussion for an **exclusive community of leaders** that will **influence** the economic agenda of the Iran-Italy relationship.

The debate will revolve around some main topics, such as:

- Iran and Italy can make the difference in the current global scenario
- Banking, insurance and financial systems for effectively expanding bilateral relations
- Infrastructures and mobility are the pillars for the most advanced urban development
- Iran and Italy can cooperate to build up an efficient and competitive energy and power value chain
- Retail, trade, and investment are the platform for Iran - Italy strategic partnership
- The limitless heritage of tourism and culture are the foundations of the future

The Summit is solely **reserved to Iranian and Italian/European Chairmen and CEOs** of primary enterprises and participation is by invitation only.

A **Gala Dinner** hosted by Italian Ambassador Residence in Tehran on Monday, May 16, will provide additional and excellent opportunity for interacting and networking.

To register, please fill in the form at this link: <http://www.ambrosetti.eu/en/contact-iran-italy-summit>

We will share the updated agenda as soon as available.
